## Office Memorandum • United States Government

TO

Deputy Director of Training (General)

DATE: 27 February 1953

FROM:

Chief, Junior Officer Training Division

SUBJECT:

Weekly Progress Report - 19-26 February 1953

1. We have received several inquiries relative to the next class at CIC School. Indications are that a few more people will apply. One of the men now at CIC School was in the Office today and indicates that the school is extremely good for people who have had a minimum of operational training in the Agency.

2. The project relative to testing of the six people in Chicago is being held in abeyance until information is received from
